DESCRIPTION:

The Tactical Carbine Instructor Training Program (TCIPT) is a one-week program, designed to provide the Law Enforcement Trainer with the knowledge and skills necessary to instruct others in the use and tactics related to multiple carbines (sub-gun through M4). Through lecture, demonstration and practical application, this course highlights nomenclature, safety rules, weapons handling, loading/reloading/unloading, tactical transitions, immediate action drills, movement drills, tactics, basic and advanced firearms drills (i.e., spread fire drills, judgment shooting drills etc.), care and cleaning. The student instructor will demonstrate through practical exercises, their proficiency in the use, handling and ability to teach all aspects related to these weapon systems.

Attendees are required to bring their own weapons (primary and secondary), duty equipment, 1000 rounds of carbine and 250 rounds of handgun. Targets and cardboard is provided.

ABOUT PHOENIX RBT SOLUTIONS: (Reality-Based Training)

Phoenix is a unique company, offering reality-based training solutions for law enforcement, military and private sector security at the local through international level. Phoenix specializes in instruction, program development, consulting, products, training facility design and construction.

Phoenix's training staff can develop and implement a reality based training solution to satisfy any operational need. Phoenix instructional staff has scores of combined years of reality-based operational and training experience. Phoenix's professionals are all active and former law enforcement or military personnel who have specialized in reality-based training and its components.

Phoenix is unique because its core foundation for training is reality-based static, dynamic and interactive training philosophies. Phoenix does not rely on the traditional "technique" teaching approach. Our personnel focus on the "conceptual" method, which recognizes that successful training incorporates a variety of methods. Whether the training is basic or specialized, Phoenix is capable of meeting your needs.

Phoenix is fully capable of providing optimal levels of training for military, federal, state, local and private sector security personnel. Phoenix's trainers are recognized throughout the training community for their superior training experience and performance. Phoenix has sought to assemble the best team of trainers in the training industry, and believes that it has achieved its goal. Phoenix's staff is fully committed to your training needs and looks forward to assisting you.
